Snap Shackle fastening

Part no	Product description	A	Safe working load [kg]	Breaking load [kg]
		Sheave Ø [mm]		
B3005XXBS	Snap Shackle block 50	50	500	1400
B3006XXBS	Snap Shackle block 60	60	750	1700
B3008XXBS	Snap Shackle block 80	80	1500	2700

The black line blocks from Rutgerson are available with snap shackles. Simply add the ending BS to the standard block article number. For example B300501BS.

Note that the safe working load and breaking load differ when the block is fitted with a snap shackle.
